

ANNUAL FUND DONATIONS ARE CRITICAL

Ninety-four percent of Napa Valley College Foundation funds are restricted to specific projects. This means only six percent of our funds support our operating budget. Your donations to the Annual Fund are critical in allowing us to continue to administer and manage the many programs for Napa Valley College and its students.

MINDS**

Gifts to the Annual Fund support dreams and unlock educational opportunities for Napa Valley College students. Only with these essential donations are we able to administer scholarships, provide financial assistance for basic needs, and support the College where the need is greatest.

OUR STUDENTS

For many Napa Valley College students, the cost of education can present a significant barrier to accessing the transformative power of learning. Please consider the economic situation of many of our students:

- 50% experience some form of food insecurity.
- 1 in 5 are homeless or experiencing housing insecurity.
- 67% are working local jobs and can only attend college part-time.
- 64% are considered economically disadvantaged.

YOUR DONATIONS TO THE ANNUAL FUND DIRECTLY SUPPORT

- **SCHOLARSHIPS & TUITION ASSISTANCE:** To provide critical financial assistance to students, enabling them to pursue their dreams without having to choose between tuition or basic necessities.
- **BASIC NEEDS & HOUSING SUPPORT:** We provide financial support for housing and basic needs, ensuring that students can focus on their studies without worrying about where their next meal will come from or where they will sleep at night.

- **EMERGENCY RELIEF GRANTS:** When the COVID-19 pandemic and fires occurred, the Foundation responded by providing emergency relief grants and funding for laptops to students so they could continue their education.
- **PROGRAM SUPPORT:** We coordinate donor support for many programs throughout the College from viticulture and winery technology to the welding program.
- **CAPITAL SUPPORT:** The Foundation coordinates and administers funding for capital projects such as the Wine Education Center and a blood pressure machine for the Adaptive PE Program.

"Napa Valley College's commitment to student success empowered me to break barriers and envision myself in professional spaces. The financial assistance I received in tuition and scholarships laid the foundation for my academic success."
