President's Circle Giving Society

About the Napa Valley College Foundation

Since its founding in 1968, the Foundation has provided Napa Valley College with philanthropic support and direct aid to students. We fill the gap when state funding is not enough to meet students most immediate needs by providing:

- Scholarships & Tuition Assistance
- Basic Needs & Housing Awards
- Emergency Relief Grants
- Career Education and Program Support
- Capital Projects such as the Wine Education Complex

President's Circle Giving Society

The President's Circle Giving Society recognizes donors who personify leadership with their generosity of a gift of \$1,000 or greater. This Society is the backbone of our philanthropic efforts and provides the critical resources the College needs to lead the way in education and train Napa Valley's future leaders.

Every year President's Circle members enjoy a range of benefits, including events with Napa Valley College's Superintendent/President and the Napa Valley College Foundation Board of Directors. These provide up-close experiences with some of the College's most meaningful projects along with networking opportunities with donors and partners.
